All About Hamilton

The Waikato is a fantastic region to live, work or invest.

ABOUT GRAFRAELL

Grafraell Properties is a family owned and operated business. Directors Kevin and Grayson Bell have over 20 years' experience in home building and are well positioned to provide you the very best experience when building your property. Grafraell is one of Hamilton's leading housing companies specialising in townhouse builds.

Grafraell offers a full turnkey package which means there are no hidden costs - you are buying a complete house with all fixtures and fittings, ready for you or your tenants to move in.

Should you be purchasing a home for investment, Grafraell can liaise with your preferred rental management firm throughout the build to ensure your property is tenanted prior to settlement. This ensures a return on your investment from day one.

THE TEAM

The Grafraell team are well recognised, highly qualified New Zealand Tradesmen all certified in each of their professions.

Grafraell Properties are also Master Builders meaning your property is covered by a 10-year Master Build Guarantee.

Working with Grayson and Kevin was a really positive experience — they're easy to deal with, communicate clearly, and run a very professional operation. The build quality exceeded expectations. Everything was well thought-out, well executed, and finished to a high standard. It gave us a lot of confidence throughout the process. Based on our experience, we'd absolutely build with Grafraell again.
